|           |    |  |
|           |    |  |

Members enter the Education Building to take children to class.

For scheduling conflicts, arrange to switch dates with another person or team and notify Secretary Jessie Brooks to change the schedule.

Nursery coverage starts at 9:45 am and continues through the worship service. Both team members are to stay in the nursery until at least 10:30 am to accommodate late arrivals. 2 people are required to be in attendance when children are present. Insurance requirements include attendance records and documentation of special needs, such as food allergies. The Attendance Record is in the Nursery Guideline Book.

**Social distancing and cleaning observed.**
