If this schedule does not work for you, please try to trade with someone ahead of time and notify the church secretary by 9:00am Thursday for a bulletin update or let Jim Cullen know if there is a last minute conflict. Also notify church secretary of phone updates. Thanks for doing such a great job which adds a personal touch to our worship service.

- Walk in behind the Minister and take your place at the pulpit and wait until the tenth note is played.
- Sincerely welcome all guests and visitors. Remind visitors to fill out the Visitor cards and place in the collection plate.
- Make reference to announcements included in the bulletin and check for any additional announcements from the congregation.
- After announcements, transition into the Meditation music and worship service.
